

LifeLinks Development Project

St. Aloysius' College, Carrigtwohill

+

Mutito Girls Secondary School, Kenya

We would like you to create a project on one of the three following topics in relation to Kenya :

A) Gender

B) Health

C) Culture

Be as creative and as original as you can and make use of the media if possible (audiotape/video/DVD, camera, computer, internet, art and craft materials etc.)

Some suggestions:

Write it

Write a short story; write a letter; compile a diary; compile a newspaper or magazine; write a poem

Record it

Make a movie; act out a story as a drama ; audio-record a story or an interview

Picture it

Take photographs; use photos to show contrasts, to show possibilities, to show what can be done

Draw it /Paint it/ Make it

Design a poster; paint a wall frieze; make up a collage; build a model; invent a board game; make a map

Sing it

Write a song; make up a rap; put new words to a popular song

'LifeLinks'

**Mutito Girls Secondary School
Development Project**

Name: _____

Class: _____

Please note that all information provided on this application is strictly confidential.

The following criteria will be assessed in the selection procedure.
