

For second-level schools and colleges interested in creating learning partnerships with schools in developing countries

Deadline for funding applications: 22 March 2010

WorldWise is the Irish Aid Schools Linking and Immersion Scheme: it aims to raise awareness of development issues among Irish students, teachers and the wider community. Funded by Irish Aid and managed by Léargas, WorldWise provides funding to second-level schools and colleges that are involved in immersion and linking projects with partner schools in developing countries.

Workshops

In advance of the upcoming deadline, the WorldWise team will provide the following workshops about the programme and how to apply for funding.

Sligo: Sligo Education Centre	Tuesday 2 February
Athlone: Athlone Education Centre	Wednesday 3 February
Tralee: KADE Development Education Centre, 11 Denny St	Tuesday 02 March
Dublin: Dublin West Education Centre	Tuesday 23 February
Cork: Cork Education Centre	Wednesday 03 March
Dublin: Irish Aid Volunteer Centre	Wednesday 24 February

All workshops will run from **18:00 to 20:30**.

To book a place, contact the WorldWise team at Léargas at 01- 873 1411

Types of Funding

Project Funding

- up to €2500 for project costs that include project resources and implementation in both schools, communication costs, development education workshops, themed days, *etc.*

Teacher Visit Funding

- up to €2250 per Irish school where two or more teachers are travelling
- up to €3000 per partner school where two or more teachers are travelling : this funding is based on travel and hosting costs

Network Funding

- funding is also available for networks of schools that support school linking

DEIS schools

- where schools that are members of the DEIS School Support Scheme require additional funding to enable student travel, this may be available—based on travel costs—for 3 to 4 students for a seven-day visit. Contact the WorldWise team for more details.
